THE SECRETARY SPEAKS

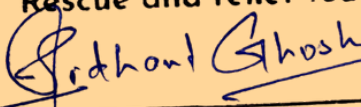

The past year has been one of growth, recognition, and renewed purpose. Every milestone we have achieved stands as a reflection of the compassion and commitment of our supporters, whose belief in our mission continues to transform lives every day. Your support has helped us empower children and young adults— offering them safety, education, and dignity. We were humbled to receive honours such as the ABP Ananda Khaibar Pass and Startup Brilliance awards, acknowledgements that celebrate not just our organisation, but the collective spirit of kindness that drives our work.

Our initiatives – from rescue operations and rehabilitation to the Opportunity Café and skill development programs – have touched many lives. The café, in particular, has become a symbol of inclusion, giving young adults with intellectual disabilities a space to work, grow, and be valued members of society. To our supporters and well-wishers, your generosity and trust remain the foundation of everything we do. Each contribution, each gesture of love, strengthens our resolve to reach further and dream bigger.

As we step into the coming year, we look forward to expanding our efforts through Opportunity Café, the Opportunity Skills Academy, and Opportunity Originals, creating more pathways toward independence and empowerment.

Thank you for being a part of this journey – for standing beside us and for believing in the power of compassion to change lives.

With gratitude,

Rescue and relief foundation

Secretary

WELCOME TO OUR ANNUAL JOURNEY

Disclaimer: In accordance with applicable child protection laws and ethical safeguarding practices, certain images in this Annual Report are AI-generated for illustrative purposes. Original photographs featuring individuals below 18 years of age have been blurred or anonymised to protect their identities.

**More than a report, it's
a story of hope, of
collective strength—
and most importantly,
of transformation.**

The financial year 2024–25 has been a defining chapter in the journey of Rescue and Relief Foundation—a year of brave rescue operations, bold initiatives, and unwavering resolve.

We have worked tirelessly to reach those most in need. The climb has not been easy. This year brought its share of obstacles. Yet, with the unwavering support of our donors, partners, and volunteers, we continue to move forward—one life, one breakthrough at a time.

We are honoured by the recognitions received, but more than awards, they are affirmations of our path: toward sustainable, inclusive, and lasting change.

Welcome to the journey!

Creating Pathways from Skill Development to Dignified Employment

For thousands of young adults with intellectual disabilities and vulnerable youth transitioning out of Child Care Institutions (CCIs), the greatest challenge begins after rehabilitation. While many receive care, education and protection during childhood, very few are provided with meaningful opportunities to become economically independent adults. As a result, many remain dependent on institutional care or charitable support throughout their lives.

Recognising this critical gap, Rescue and Relief Foundation conceptualised and developed the Opportunity Model—an innovative rehabilitation ecosystem that creates a seamless pathway from skill development to dignified employment and long-term livelihood generation.

Opportunity *reaching hearts*

The Opportunity Model is built around three interconnected initiatives—Opportunity Skills Academy, Opportunity Café, and Opportunity Originals. Rather than functioning as independent projects, these initiatives complement one another, creating a complete rehabilitation journey where learning gradually transforms into employment and eventually into economic independence.

Designed specifically for young adults with intellectual disabilities, Children with Special Needs (CwSNs), and Children in Need of Care and Protection (CNCs), the model demonstrates that with structured training, supportive workplaces and appropriate opportunities, every individual possesses the ability to contribute meaningfully to society.

The Foundation firmly believes that disability should never define an individual's future. Opportunity, dignity and inclusion should.

Opportunity Skills Academy

Where Potential Begins to Flourish

The Opportunity Skills Academy serves as the training foundation of the entire Opportunity ecosystem. Every employment journey begins here.

The Academy combines vocational training with life skills education, behavioural development and workplace readiness, ensuring that trainees develop not only technical competencies but also the confidence required to succeed in professional environments.

Throughout the year, the Academy witnessed significant expansion. Following the overwhelming public response to Opportunity Café, preparations began for establishing Opportunity Café 2.0. To support this expansion, the Academy enrolled and began training a second batch of nearly 15 young adults, preparing them for employment in hospitality and food services.

Every training programme was carefully adapted to the individual's learning abilities, ensuring that trainees progressed comfortably while building confidence and independence.

During the year, the Academy also took its first significant steps towards apparel manufacturing by introducing pilot vocational training in garment production. Trainees were exposed to different types of sewing machines, industrial stitching techniques, cutting instruments, quality control processes and garment finishing methods. These experimental sessions enabled trainers to understand learning patterns, identify suitable vocational roles and establish an inclusive production model that would later become the foundation of Opportunity Originals.

Beyond vocational learning, the Academy continued to focus on holistic development through sports, recreational activities, communication exercises, social interaction, confidence building and emotional development, ensuring that trainees were fully prepared for life beyond institutional care.

Opportunity Café

Where Skills Become Employment

★ FY 2024-25: A YEAR OF MILESTONES AND GROWTH ★

BREAK-EVEN ACHIEVED

In September 2024, Opportunity Café successfully achieved operational break-even, with monthly revenues covering its day-to-day operating expenses.

A milestone that proved inclusive employment can be both socially transformative and financially sustainable.

EXCEPTIONAL GROWTH

The months that followed witnessed exceptional customer response, especially during the festive season, leading to significant growth in footfall and revenue.

This strong performance created the confidence to plan Opportunity Café 2.0.

CLASSROOM TO WORKPLACE

The café became an extension of the classroom. Students graduating from the Opportunity Skills Academy received structured internships, workplace exposure and practical experience before transitioning into permanent roles.

DIGNITY THROUGH EMPLOYMENT

The greatest success was not measured in numbers, but in the confidence displayed by the young adults who now greet customers, prepare meals, manage service counters and earn their own livelihoods with pride and dignity.

Opportunity Café represents the second stage of the Opportunity Model—transforming training into dignified employment.

Unlike traditional rehabilitation centres, Opportunity Café is a fully operational café where young adults with intellectual disabilities work alongside survivors from vulnerable backgrounds, following the set standards as any other commercial café outlet.

The initiative provides not only employment but also financial independence, social inclusion and an opportunity to demonstrate that ability should always be valued over disability.

FY 2024-25 marked a defining year for the initiative.

In September 2024, Opportunity Café successfully achieved operational break-even, with monthly revenues covering its day-to-day operating expenses. This milestone proved that inclusive employment can be both socially transformative and financially sustainable.

The months that followed witnessed exceptional customer response, particularly during the festive season, resulting in significant growth in footfall and revenue. This strong operational performance created the confidence to begin planning Opportunity Café 2.0, enabling the Foundation to expand employment opportunities for many more young adults.

The café also became an extension of the classroom. Students graduating from the Opportunity Skills Academy received structured internships, workplace exposure and practical employment experience before transitioning into permanent roles.

By the end of the financial year, Opportunity Café had served over 1,10,000 customers, becoming one of Kolkata's most recognised examples of inclusive employment and social entrepreneurship.

Perhaps the greatest success of the initiative was not measured in customer numbers, but in the confidence displayed by the young adults who now greeted customers, prepared meals, managed service counters and earned their own livelihoods with pride and dignity.

WHAT MAKES OPPORTUNITY CAFÉ SPECIAL?

employment = empowerment

Building confidence, independence and life skills

Promoting inclusion, respect and equal opportunity

Creating financial independence and self-reliance

Loved by customers, supported by the community

“When opportunity replaces limitation, extraordinary transformations become possible.”

TRAINING TODAY. EMPLOYMENT TOMORROW. INDEPENDENCE FOREVER.
TOGETHER, WE CREATE OPPORTUNITIES FOR A BRIGHTER FUTURE.

Rescue. Rehabilitate. Restore Dignity.

OPPORTUNITY CAFÉ

Where Skills Become Employment

Opportunity Café represents the second stage of the Opportunity Model—transforming training into dignified employment.

Unlike traditional rehabilitation centres, Opportunity Café is a fully operational commercial café where young adults with intellectual disabilities work alongside trained professionals in a **real business environment**.

The initiative provides not only employment but also financial independence, social inclusion and an opportunity to demonstrate that **ability** should always be **valued over disability**.

LIVES IMPACTED (FY 2024-25)

1,10,000+

CUSTOMERS SERVED

One of Kolkata's most recognised examples of inclusive employment and social entrepreneurship.

Opportunity Originals

Fashion with a Purpose

FY 2024–25 also marked the soft launch of Opportunity Originals, the Foundation's social apparel enterprise designed to create dignified employment opportunities within the garment manufacturing sector.

Instead of rushing towards commercial production, the Foundation adopted a carefully planned pilot approach.

The year focused on:

- Developing product prototypes
- Understanding customer preferences
- Assessing production workflows suitable for persons with intellectual disabilities

At the same time, trainees from the Opportunity Skills Academy began learning the fundamentals of garment manufacturing under close supervision.

These pilot initiatives enabled the Foundation to design a production model that balanced commercial quality with inclusive employment.

The learnings gathered during FY 2024–25 laid the foundation for a scalable apparel enterprise capable of generating sustainable employment while creating a new source of financial sustainability for the Foundation's rehabilitation programmes.

Recognition that Strengthened the Vision

The impact and innovation of the Opportunity Model received national recognition during the reporting year.

In February 2025, Rescue and Relief Foundation received the prestigious Startup Brilliance Award, recognising the Opportunity Model as one of India's most innovative and sustainable social enterprise initiatives.

This recognition acknowledged the Foundation's ability to combine rehabilitation, skill development and entrepreneurship within one integrated ecosystem.

Just a month later, in March 2025, Opportunity Café received ABP Ananda's prestigious "Khaibar Pass" Award, celebrating its excellence in culinary innovation while recognising its remarkable contribution towards disability inclusion and dignified employment.

The Opportunity Model also attracted extensive media coverage from leading newspapers, television channels and digital platforms, helping reshape public perceptions around disability and encouraging wider acceptance of inclusive employment.

These recognitions validated not only the success of the programme but also the belief that inclusive businesses can compete successfully while creating meaningful social impact.

Redefining Rehabilitation

The Opportunity Model is far more than a collection of projects.

It represents a complete rehabilitation philosophy where learning naturally progresses into employment, employment creates financial independence, and financial independence restores dignity.

Rescue and Relief Foundation witnessed the Opportunity Model evolve from a promising concept into a nationally recognised example of inclusive development. The expansion of vocational training, operational sustainability of Opportunity Café, successful pilot launch of Opportunity Originals, growing public recognition together reaffirmed that the Foundation is building much more than rehabilitation programmes—it is creating a movement that challenges perceptions around disability, promotes economic independence and demonstrates that when opportunity replaces limitation, extraordinary transformations become possible.

The Opportunity Model stands today as one of Rescue and Relief Foundation's most significant innovations—a scalable, sustainable and replicable model that is redefining the future of inclusive rehabilitation and dignified employment in India.

IN NEED OF CARE AND PROTECTION (CNCP)
SUPPORTED THROUGHOUT FY 2024-25

The entire operational and financial responsibility of the Protection Home is undertaken by Rescue and Relief Foundation, ensuring safety, care, education and holistic rehabilitation.

Behala Keertika Protection Home

A Safe Haven for Healing, Protection and New Beginnings

Behala Keertika Protection Home, supported and managed by Rescue and Relief Foundation, provides long-term care and rehabilitation to 25 Children in Need of Care and Protection (CNCP). The home primarily supports children who have survived human trafficking, sexual abuse under the Protection of Children from Sexual Offences (POCSO) Act, abandonment, surrender, neglect, and other forms of vulnerability. The foundation maintains the Child Welfare Committee (CWC), District Social Welfare Office (DSWO), Directorate of Child Rights and Trafficking (DCRT), and the West Bengal Commission for Protection of Child Rights (WBCPCR) to ensure timely interventions, restoration processes, legal compliance, education, sponsorship, and access to government entitlements.

The entire operational and financial responsibility of the Protection Home—including infrastructure, staffing, food, healthcare, education, rehabilitation programmes, and day-to-day management—was undertaken by Rescue and Relief Foundation. Every effort was made to provide a nurturing, family-like environment where children could gradually recover from trauma and rebuild confidence for a brighter future. Throughout the financial year 2024-25, the home witnessed a continuous cycle of rehabilitation and restoration. As children successfully completed their rehabilitation term and were restored to their families or placed through appropriate rehabilitation mechanisms as directed by the competent authorities, new children in need of immediate protection were admitted, ensuring that every available space continued to serve vulnerable children requiring urgent care and support.

- Nutritious meals and healthcare support
- Clothing and personal care essentials
- Formal education and academic assistance
- Individual counselling and psychological support
- Yoga and mindfulness sessions
- Life skills education
- Vocational training and livelihood-oriented skill development
- Recreational activities and holistic personality development
- Continuous guidance and emotional care from trained caregivers

A key focus throughout the year was creating an environment where children could experience a joyful and meaningful childhood despite the adversities they had faced.

Festivals, national celebrations, and cultural programmes were integrated into the rehabilitation process, helping children reconnect with society, develop a sense of belonging, and gradually overcome the emotional impact of trauma.

Rescue and relief foundation

Prithvi Ghosh
Secretary

During Durga Puja, the Foundation organised a special outing where children travelled together for pandal hopping, allowing them to experience one of Bengal's most cherished festivals. Diwali was celebrated with festive lighting, diyas, decorations, and fireworks under safe supervision, while Holi brought colours, music, and laughter into the lives of children who had once known only fear and uncertainty. During Raksha Bandhan, children handcrafted beautiful rakhis which they tied to fellow residents, caregivers, and staff members, symbolising trust, affection, and the spirit of unity. Saraswati Puja was celebrated with great enthusiasm, reinforcing the importance of education, knowledge, and lifelong learning. The Foundation also organised its Annual Picnic, providing children with an opportunity to travel outside the institutional environment, enjoy recreational activities, strengthen friendships, and create joyful memories that contribute significantly to emotional well-being. These celebrations were designed not only to preserve India's rich cultural heritage but also to foster patriotism, social inclusion, emotional healing, and community participation among the children.

Education remained a major priority throughout the year. Several children successfully appeared for their Class X and Class XII Board Examinations, securing commendable results despite the challenges they had experienced earlier in life. These achievements reflected the determination of the children as well as the unwavering support provided by teachers, caregivers, counsellors, and volunteers.

COLLABORATION & COORDINATION

We closely coordinated with government agencies and statutory authorities to safeguard the rights and welfare of every child.

- ✓ Child Welfare Committee (CWC)
- ✓ District Social Welfare Office (DSWO)
- ✓ Directorate of Child Rights and Trafficking (DCRT)
- ✓ West Bengal Commission for Protection of Child Rights (WBCPCR)

CELEBRATIONS THAT HEAL

Festivals, national celebrations and cultural programmes were an important part of the rehabilitation process, helping children experience joy, belonging and normalcy.

- ✓ Independence Day & Republic Day
- ✓ Holi, Durga Puja, Diwali
- ✓ Raksha Bandhan & Saraswati Puja
- ✓ Annual Picnic & Outings

EDUCATION ACHIEVEMENTS

Several children successfully appeared for their Class X and Class XII Board Examinations and secured commendable results.

VISITORS & WELL-WISHERS

Many donors and well-wishers visited the home to celebrate special occasions with the children, creating meaningful connections and spreading love.

TALENT. EXPRESSION. TRANSFORMATION.

Children showcased exceptional talent in artwork, handicrafts, jewellery making, dance, music, recitation and yoga. Special teachers for Art & Craft, Music, Dance, Yoga and Vocational Training nurture their abilities and help them build confidence for life.

Thank You for being part of their journey

Healing Today, Empowering Tomorrow.

Rescue and relief foundation

Prabhat Ghosh
Secretary

The Protection Home also welcomed numerous individual donors, volunteers, and wellwishers who chose to celebrate birthdays, anniversaries, festivals, and other special occasions with the children. Their visits created meaningful interactions, encouraged social inclusion, and reminded every child that they are valued members of society.

Visitors consistently expressed admiration for the remarkable talents displayed by the children. Their creativity in artwork, handicrafts, and jewellery making, along with their confidence in dance, music, recitation, yoga, and cultural performances, stood as powerful examples of what structured rehabilitation can achieve. Their creativity was hugely appreciated when they took part in exhibitions and Melas organised by governmental departments and private organisations. Rescue and Relief Foundation firmly believes that creative expression is an essential component of trauma recovery, enabling children to rebuild self-esteem, discover hidden strengths, and regain confidence in their abilities.

To nurture these talents, the Foundation invested in specialised instructors and structured learning programmes throughout the year. These interventions form an integral part of the Foundation's rehabilitation philosophy, which focuses not merely on protecting children from harm but on empowering them to lead confident, dignified, and independent lives.

Through holistic care, compassionate rehabilitation, and sustained support, Behala Keertika Protection Home continues to transform lives by giving vulnerable children not only protection, but also hope, opportunity, and the confidence to dream of a brighter future.

SANLAAP

SUPPORTING THE
SANLAAP
CHILD CARE
INSTITUTION

50-BED
CHILD CARE
INSTITUTION (CCI)

Sanlaap

Strategic Rehabilitation Partner ~ Protecting Childhood, Preventing Exploitation, and Breaking the Cycle of Second-Generation Prostitution

For decades, the issue of commercial sexual exploitation has continued to rob thousands of women and children of their rights, dignity, and opportunities. While significant efforts have been made to rescue victims of trafficking, one of the greatest long-term challenges remains preventing the children of women engaged in prostitution, from entering the same cycle of exploitation. It is with this philosophy that the Foundation has continued its strategic partnership with Sanlaap, one of India's leading organisations working in the field of anti-human trafficking, rehabilitation, and prevention of commercial sexual exploitation.

Sanlaap operates a 50-bed Child Care Institution (CCI) for Children in Need of Care and Protection (CNCP), providing long-term rehabilitation for children rescued from human trafficking, commercial sexual exploitation, sexual abuse under the Protection of Children from Sexual Offences (POCSO) Act, abandonment, neglect, and other vulnerable situations.

The institution serves as a place where children who have experienced severe trauma are able to rebuild their confidence, continue their education, and gradually prepare themselves for independent living.

Rescue and relief foundation

Prithvi Ghosh
Secretary

Sanlaap operates a **50-bed Child Care Institution (CCI) for Children in Need of Care and Protection (CNCP)**, providing long-term rehabilitation for children rescued from human trafficking, commercial sexual exploitation, sexual abuse under the Protection of Children from Sexual Offences (POCSO) Act, abandonment, neglect, and other vulnerable situations.

The institution serves as a place where children who have experienced severe trauma are able to rebuild their confidence, continue their education, and gradually prepare themselves for independent living.

Although the Child Care Institution is managed by Sanlaap, Rescue and Relief Foundation plays a significant role in strengthening the quality of rehabilitation by supporting two of the most fundamental aspects of child development—**nutrition and education.**

Rescue and Relief Foundation plays a significant role in strengthening the quality of rehabilitation by supporting two of the most fundamental aspects of child development—nutrition and education.

Throughout the financial year 2024–25, the Foundation ensured continuous support towards:

- Daily nutritional requirements and food support
- School education
- Therapy and Aerobics classes
- Educational materials and stationery
- Academic guidance
- Learning support
- Educational continuity for every child

The Foundation firmly believes that a child recovering from trauma cannot heal without proper nutrition, and cannot build a future without quality education. By supporting these two critical pillars, Rescue and Relief Foundation contributes towards creating an environment where every child can recover physically, emotionally, and intellectually.

Beyond Institutional Care: Community-Based Child Protection

While institutional rehabilitation remains essential, Rescue and Relief Foundation recognises that thousands of vulnerable children continue to live inside red-light districts where they remain exposed to multiple risks every single day. Unlike institutional care, these children continue to live with their mothers within the community.

To address this challenge, the Foundation extends its support to one of Sanlaap's most impactful community programmes—the Drop-in Centres located in the red-light areas of Bowbazar and Khiddirpore in Kolkata.

Rescue and relief foundation

Aradhana Ghosh
Secretary

During the financial year 2024-25, these two Drop-in Centres collectively supported approximately 210 children, with a substantial portion of the programme being managed and supported by Rescue and Relief Foundation.

Most of these children are born to women engaged in commercial sex work. Without timely intervention, they are exposed to unsafe environments, violence, substance abuse, exploitation, trafficking, school dropouts, child labour, and eventually commercial sexual exploitation themselves.

Sanlaap

STRATEGIC REHABILITATION PARTNER

SANLAAP

BEYOND INSTITUTIONAL CARE: COMMUNITY-BASED CHILD PROTECTION

Our partnership with Sanlaap brings hope and protection to children living in red-light areas through Drop-in Centres and Night Crisis Centres.

210 CHILDREN
supported collectively
during FY 2024–25

A significant portion of the programme is managed and supported by Rescue and Relief Foundation.

WHY THIS MATTERS

- Thousands of children in red-light districts face multiple risks every day.
- Born to women engaged in commercial sex work, they are exposed to violence, abuse, neglect, trafficking, school dropouts, child labour and exploitation.
- Without timely intervention, these children are vulnerable to falling into the cycle of second-generation prostitution.
- Breaking this cycle requires continuous community engagement—before exploitation occurs.

WHAT IS A DROP-IN CENTRE?

A safe, child-friendly community space for children living in red-light areas.

When mothers leave for work, they can bring their children to the Centre where trained staff ensure they spend their time in a secure, nurturing and development-oriented environment.

LEARN

PLAY

SOCIALISE

DREAM

Instead of growing up in brothels or on unsafe streets, children get the chance to experience a normal childhood.

What is a Drop-in Centre?

A Drop-in Centre is a safe, child-friendly community space designed specifically for children living in red-light areas.

For many mothers engaged in sex work, leaving children unattended while they work becomes one of the greatest concerns.

The Drop-in Centre provides these mothers with a safe alternative. Whenever mothers leave for work during the day, they can bring their children to the Centre, where trained staff and caregivers ensure that the children spend their time in a secure, nurturing, and development-oriented environment. Instead of growing up inside brothels or unsafe neighbourhoods, children receive opportunities to learn, play, socialise, and dream.

The long-term objective of this partnership extends far beyond providing temporary childcare. Its primary mission is to prevent second-generation prostitution.

Rescue and Relief Foundation

Shant Ghosh
Secretary

Children growing up inside red-light areas frequently experience circumstances that normalise commercial sexual exploitation. Without access to education, positive role models, and alternative opportunities, many girls eventually enter prostitution while boys often become involved in criminal activities, substance abuse, or organised exploitation networks. By intervening during childhood, Rescue and Relief Foundation and Sanlaap work together to interrupt this cycle before it begins.

Every child who remains in school, every adolescent who develops aspirations beyond the red-light district, and every family that embraces education over exploitation represents another step towards breaking an intergenerational pattern that has persisted for decades.

The Foundation believes that true rehabilitation does not begin after trafficking—it begins by ensuring that trafficking never happens in the first place.

Within the Drop-in Centre, children receive:

- Safe supervision throughout the day
- Nutritious meals and refreshments
- Educational support and homework assistance
- Non-formal education
- Recreational activities
- Art and creative learning
- Life skills education
- Counselling support
- Behavioural guidance
- Emotional care
- Health and hygiene awareness
- Child rights education Case management and follow-up

The programme provides children with normal childhood experiences that many of them would otherwise never have.

Rescue and relief foundation
Prithvi Ghosh
Secretary

Many women in the red-light districts begin work after sunset and continue until early morning. During these hours, young children often remain completely unprotected, making them highly vulnerable to abuse, neglect, trafficking, and exploitation. Hence, the Drop-in Centre serves as a Crisis Centre during night-time to provide safety and shelter during the business hours.

For many mothers, the Crisis Centre provides not only practical support but also peace of mind, knowing that their children are protected while they earn a livelihood.

Working Together for Lasting Change

The collaboration between Sanlaap and Rescue and Relief Foundation demonstrates how strategic partnerships can create lasting social impact. By combining institutional rehabilitation with community-based prevention, the partnership addresses both the immediate and root causes of child vulnerability.

The Foundation remains committed to strengthening this partnership in the years ahead, ensuring that more children are protected from exploitation, more families receive support, and more young lives are empowered to choose futures defined not by the circumstances of their birth, but by the opportunities made available through compassion, education, and collective action.

“Every child protected today is a generation transformed tomorrow. By preventing second-generation prostitution, we are not merely changing individual lives—we are breaking a cycle of exploitation that has persisted across generations.”

WORKING TOGETHER FOR LASTING CHANGE

The collaboration between Sanlaap and Rescue and Relief Foundation demonstrates how strategic partnerships can create lasting social impact.

- ✓ Combining institutional rehabilitation with community-based prevention
- ✓ Addressing both immediate and root causes of child vulnerability
- ✓ Hundreds of children benefited in FY 2024-25 from safer environments, improved nutrition, continued education, emotional support and opportunities.
- ✓ We remain committed to protecting more children, supporting more families and empowering more young lives.

**“ Every child protected today
is a generation transformed tomorrow.**

By preventing second-generation prostitution,
we are not merely changing individual lives –
we are breaking a cycle of exploitation that
has persisted across generations.

PROJECT ORPHANAGE

Ramkrishna Vedanta Ashram

Providing Every Child with a Safe Home and a Hopeful Future

Every child deserves to grow up in a safe, nurturing and loving environment. For orphaned and vulnerable children, access to quality care, education and emotional support can transform the course of their lives. Through its strategic partnership with Ramkrishna Vedanta Ashram, Rescue and Relief Foundation continued to strengthen residential rehabilitation services for children who have lost parental care or come from vulnerable backgrounds.

Located at Maheshtala, Behala, South 24 Parganas, West Bengal, Ramkrishna Vedanta Ashram is a residential home for boys managed under the guidance of a Maharaj, a disciple of Sri Ramakrishna from Ramakrishna Mission, Belur Math. The Ashram provides a disciplined, value-based environment where children are nurtured with compassion while being encouraged to grow into responsible and self-reliant individuals.

During the financial year 2024-25, the Foundation supported the Ashram's residential programme, benefiting approximately 50 orphaned and vulnerable children. The partnership focused on creating a stable and caring environment where children could grow with dignity while receiving opportunities for education, holistic development and future independence.

PROVIDING EVERY CHILD WITH **A SAFE HOME** AND A HOPEFUL FUTURE

Through our partnership with Ramkrishna Vedanta Ashram, Rescue and Relief Foundation supports a **boys' home** that nurtures orphaned and vulnerable children with love, values, education and opportunities to grow into confident and responsible individuals.

LIVES IMPACTED (FY 2024-25)

Approximately

50

orphaned and vulnerable children

Rescue and Relief Foundation supported uninterrupted residential care by ensuring access to nutritious food, clothing, healthcare, formal education and emotional support. Every effort was made to create a family-like atmosphere where children felt secure, valued and encouraged to realise their full potential.

The programme provided comprehensive support through:

- Safe and secure residential accommodation
- Nutritious meals and healthcare services
- Clothing and personal care essentials
- Formal education and academic guidance
- Emotional care and counselling support
- Sports, recreation and personality development
- Vocational exposure for older children
- Life skills and independent living preparation

Education remained one of the key priorities throughout the year. Children received continuous academic guidance, learning support and encouragement to pursue their educational goals. Alongside academics, equal emphasis was placed on personality development through sports, cultural activities, creative learning and recreational programmes that helped build confidence, discipline and teamwork.

COMPREHENSIVE CARE FOR HOLISTIC DEVELOPMENT

Safe & secure residential accommodation

Nutritious meals, healthcare, clothing & essentials

Formal education & academic guidance

Emotional care & counselling support

Sports, recreation & personality development

Vocational exposure & life skills for independent living

VALUES & SPIRITUAL GUIDANCE

The home has a Kali Temple where daily prayers are offered. Children receive teachings on the ideals and philosophy of Sri Ramakrishna Paramahansa and Swami Vivekananda, instilling values of compassion, discipline, self-confidence and service to humanity.

KARATE TRAINING

During the year, children were trained in Karate, helping them develop physical fitness, self-discipline, focus, confidence and self-defence skills.

OUTDOOR PLAY AREA

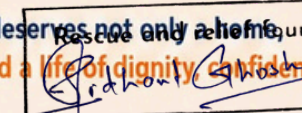

The garden and open space in front of the home is used as an outdoor play area for various sports and games, encouraging teamwork, healthy living and joyful childhood.

CELEBRATIONS & COMMUNITY

National festivals, birthdays and special occasions are celebrated with enthusiasm along with donors, volunteers and well-wishers, strengthening emotional wellbeing and creating a sense of belonging.

Through the love and guidance they receive, our children are growing into responsible, compassionate and capable individuals—ready to build a better tomorrow.

“ Every child deserves not only a home, but also the opportunity to build a life of dignity, confidence and purpose.”

STRATEGIC REHABILITATION PARTNER

RAMKRISHNA SEVASHRAM

*Building Stronger Futures Through
Care, Compassion and Skill Development*

KEY FACTS

50 Boys' Home Capacity

10 Grand Parents in Old Age Home

Rescue and Relief Foundation supports a considerable part of the running cost, ensuring uninterrupted care and services.

Located at Dakhin Durgapur, Sason, South 24 Parganas, West Bengal, Ramkrishna Sevashram is a massive residential centre providing care, education and holistic development to children while extending love and support to elderly residents who have been abandoned or neglected by their families.

This unique intergenerational model creates a family-like environment where children receive the affection of grandparents and elderly residents find companionship and purpose, helping both generations heal from trauma and grow with dignity.

Rescue and Relief Foundation supports a considerable part of the running cost of the institution, ensuring uninterrupted care and services for both children and elderly residents.

Every child deserves the opportunity to grow in an environment that nurtures not only their physical wellbeing but also their emotional, educational and social development. Rescue and Relief Foundation's partnership with Ramkrishna Sevashram reflects this belief by supporting a unique model of rehabilitation that combines residential child care, elderly care and vocational skill development under one campus.

Rescue and Relief Foundation
Prithvi Ghosh
Secretary

Located at Dakhin Durgapur, Sason, South 24 Parganas, West Bengal, Ramkrishna Sevashram is one of the largest residential rehabilitation centres in the region. Surrounded by a peaceful rural landscape, the campus provides a safe and supportive environment for orphaned and vulnerable children while promoting holistic development through education, value-based learning and vocational empowerment.

The residential home has the capacity to accommodate 50 orphaned and vulnerable boys, while its adjoining Old Age Home provides care for 10 elderly residents who have been abandoned, neglected or left without family support by their own children. Rescue and Relief Foundation supports a considerable portion of the recurring operational and running costs of the institution, enabling the uninterrupted delivery of quality care, nutrition, education and rehabilitation services to both children and elderly residents.

One of the most distinctive features of the Sevashram is its intergenerational rehabilitation model. Alongside the children's home, the campus also operates an Old Age Home for elderly individuals who have been abandoned, neglected or deserted by their families. This unique setting creates an atmosphere where children and senior citizens live as one extended family.

The children receive the warmth, affection and guidance of grandparents, while the elderly residents experience companionship, purpose and emotional fulfilment through their interactions with the children. These relationships have become an integral part of the rehabilitation process, helping both generations recover from emotional trauma, loneliness and loss. The Foundation strongly believes that such intergenerational bonds create a family-like environment that no institutional model alone can provide.

COMPREHENSIVE SUPPORT FOR HOLISTIC DEVELOPMENT

 Safe & secure residential accommodation	 Nutritious meals & healthcare services	 Clothing & personal care essentials	 Formal education & academic guidance	 Emotional care & counselling support	 Sports, recreation & personality development	 Vocational exposure for older children	 Life skills & independent living preparation
--	---	--	---	---	--	---	---

VALUE-BASED EDUCATION

Children participate in daily prayers and learn the teachings and philosophy of Sri Ramakrishna Paramahansa and Swami Vivekananda, instilling values of compassion, discipline, respect, self-confidence and service to humanity.

PHYSICAL FITNESS & DISCIPLINE

The garden and open space in front of the Ashram serves as a vibrant outdoor play area where children engage in sports, games and other recreational activities, encouraging teamwork, healthy lifestyles and joyful childhood experiences.

VOCATIONAL TRAINING CENTRE

Vocational training is provided to children and youth from nearby villages in various trades:

- Tailoring
- Electrical work
- Basic nursing & patient care
- Diagnostic centre support
- Mobile repairing
- Paper plate making
- Entrepreneurship skills

CELEBRATIONS

National festivals, birthdays and cultural occasions are celebrated with enthusiasm, fostering cultural awareness, emotional wellbeing and a strong sense of belonging. Festivals like Independence Day, Republic Day, Durga Puja, Diwali, Christmas and Saraswati Puja bring joy and togetherness.

COMMUNITY PARTICIPATION

Donors, volunteers and well-wishers regularly visit the home, spending quality time with both children and elderly residents. These interactions build meaningful relationships and remind everyone that they are loved, valued and supported by society.

Through this partnership, Rescue and Relief Foundation remains committed to ensuring that every child grows up with dignity, confidence and the opportunity to build an independent and fulfilling future.

Compassion today. Empowerment for a lifetime.

Rescue and Relief Foundation

Secretary

During the financial year 2024-25, Rescue and Relief Foundation continued supporting the residential programme, ensuring that children received comprehensive care, quality education and opportunities for holistic development. The partnership remained focused on creating an environment where every child could grow with dignity, confidence and hope for a brighter future.

The programme provided comprehensive support through:

- Safe and secure residential accommodation
- Nutritious meals and healthcare services
- Clothing and personal care essentials
- Formal education and academic guidance
- Emotional care and counselling support
- Sports, recreation and personality development
- Vocational exposure for older children
- Life skills and independent living preparation

Education continued to remain one of the central pillars of rehabilitation. Children received continuous academic support and encouragement to pursue their educational goals while also participating in cultural activities, sports, recreational programmes and personality development initiatives that nurtured confidence, discipline and leadership qualities.

A defining strength of Ramkrishna Sevashram is its Vocational Training Centre, which serves not only children residing in the home but also young people and women from neighbouring villages. The centre reflects the belief that sustainable rehabilitation is achieved through skill development and economic empowerment.

During the year, vocational training was provided in several employability-oriented trades, including:

- Tailoring and garment stitching
- Electrical wiring and basic electrical repair
- Basic nursing and patient care assistance
- Diagnostic centre and pathology support training
- Mobile phone repairing
- Paper plate manufacturing
- Entrepreneurship and livelihood-oriented skills

Rescue and relief foundation
Prithvi Ghosh
Secretary

These programmes equip adolescents and rural youth with practical skills that improve their employability while promoting self-reliance and sustainable livelihoods. Older children residing in the home are gradually introduced to these vocational opportunities, enabling them to transition confidently towards independent living after completing their education.

Beyond academics and vocational learning, the Foundation ensured that children experienced a joyful childhood through celebrations of national festivals, birthdays and cultural events. Festivals such as Independence Day, Republic Day, Durga Puja, Diwali, Christmas and Saraswati Puja were celebrated with enthusiasm, fostering cultural awareness, emotional wellbeing and a strong sense of belonging.

Community participation continued to play an important role throughout the year. Donors, volunteers and well-wishers regularly visited the campus, spending quality time with both the children and elderly residents. These interactions strengthened community bonds, encouraged social inclusion and reminded every resident that they are valued, respected and cared for by society.

PROJECT SPECIAL CHILDREN

New Age Society for All

A Home Where Every Ability Finds Opportunity

Children with intellectual disabilities, who are orphaned, abandoned or without family support often face lifelong exclusion from education, employment and society. At New Age Society, Rescue and Relief Foundation is committed to changing this reality by providing not just a safe home, but a nurturing environment where every child is encouraged to learn, grow and realise their potential. Throughout FY 2024-25, the Foundation continued to strengthen its holistic rehabilitation model by focusing on individual development, emotional wellbeing, functional independence and vocational preparedness, enabling every resident to progress towards a more confident and self-reliant future.

The Home provides long-term residential care and rehabilitation for orphaned children and young adults with intellectual disabilities, ensuring that they receive specialised care, education, therapeutic support and opportunities to develop essential life skills. Every intervention is designed around the belief that intellectual disability should never be a barrier to dignity, independence or meaningful participation in society.

LIVES IMPACTED (FY 2024-25)
**55** Children and young adults with intellectual disabilities

Aradhana Ghosh
Secretary

During the reporting year, the Foundation provided uninterrupted residential care, nutritious meals, healthcare, specialised education and personalised support to children and young adults residing at New Age Society. Trained caregivers, special educators and rehabilitation professionals worked together to create individualised learning plans that addressed the unique abilities and developmental needs of every resident.

The rehabilitation programme extended beyond classroom learning and focused on developing

- Communication skills
- Daily living activities
- Personal hygiene
- Social interaction
- Emotional regulation
- Self-confidence

Structured therapeutic interventions, recreational activities and creative learning sessions enabled residents to develop their cognitive, behavioural and adaptive skills in a supportive environment.

Recognising that every individual learns differently, the Foundation adopted activity-based and experiential learning methods that encouraged participation, independence and positive social behaviour.

Lives Impacted (FY 2024-25): Approximately 55 children and young adults with intellectual disabilities

Throughout the year, residents actively participated in art, music, dance, yoga, sports, cultural programmes and festival celebrations, creating opportunities for joyful expression, confidence building and social inclusion. National festivals, religious celebrations and community events were observed together, helping residents strengthen their emotional wellbeing, sense of belonging while remaining connected with India's rich cultural heritage.

REHABILITATION THROUGH CARE, LEARNING AND INCLUSION

During the reporting year, the Foundation provided uninterrupted residential care, nutritious meals, healthcare, specialised education and personalised support to children and young adults residing at New Age Society. Trained caregivers, special educators and rehabilitation professionals worked together to create individualised learning plans that addressed the unique abilities and developmental needs of every resident.

The rehabilitation programme extended beyond classroom learning and focused on developing

- Communication skills

Secretary

Structured therapeutic interventions, recreational activities and creative learning sessions enabled residents to develop their cognitive, behavioural and adaptive skills in a supportive environment. Recognising that every individual learns differently, the Foundation adopted activity-based and experiential learning methods that encouraged participation, independence and positive social behaviour.

 The Foundation also welcomed volunteers, donors, educational institutions and corporate partners who spent meaningful time with the residents through interactive sessions, celebrations and engagement activities.

 These interactions promoted greater awareness about intellectual disabilities while fostering acceptance, inclusion and mutual respect. Visitors consistently appreciated the remarkable talents displayed by the residents through cultural performances, artwork, handicrafts and vocational activities.

PREPARING FOR ADULthood & BUILDING PATHWAYS TO OPPORTUNITY

A major focus during this year was preparing older residents for adulthood through structured life skills and vocational training.

- Life skills and daily independence
- Vocational training based on abilities
- Workplace readiness
- Practical skill development
- Confidence and self-reliance

Opportunity Skills Academy

Opportunity Café

Opportunity Originals

This continuum of care ensures that rehabilitation does not end at adulthood but evolves into sustainable livelihood opportunities, enabling individuals with intellectual disabilities to become active, productive and valued members of society.

At New Age Society, rehabilitation is not measured merely by the care provided, but by the confidence gained, the abilities discovered and the opportunities created. The Foundation remains committed to ensuring that every child and young adult with an intellectual disability is empowered to live with dignity, independence and hope for a brighter future.

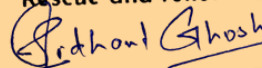

With care, compassion and opportunity,
every ability can achieve. Every life can shine.

The Foundation also welcomed volunteers, donors, educational institutions and corporate partners who spent meaningful time with the residents through interactive sessions, celebrations and engagement activities. These interactions promoted greater awareness about intellectual disabilities while fostering acceptance, inclusion and mutual respect. Visitors consistently appreciated the remarkable talents displayed by the residents through cultural performances, artwork, handicrafts and vocational activities, reaffirming that with appropriate support, every individual has the ability to learn, contribute and thrive.

A major focus during this year was preparing older residents for adulthood through structured life skills and vocational training. Individuals were introduced to activities that promoted independence, workplace readiness and practical skill development based on their abilities and interests. As they transitioned into adulthood, eligible residents were provided pathways to advanced skill development through the Foundation's flagship initiatives, including Opportunity Skills Academy, Opportunity Café, and Opportunity Originals. This continuum of care ensures that rehabilitation does not end at adulthood but evolves into sustainable livelihood opportunities, enabling individuals with intellectual disabilities to become active, productive and valued members of society.

At New Age Society, rehabilitation is not measured merely by the care provided, but by the confidence gained, the abilities discovered and the opportunities created. PROJECT OLD AGE

Restoring Dignity, Care and Companionship in the Golden Years

Ageing should be accompanied by dignity, security and a sense of belonging. Unfortunately, many senior citizens are left without family support due to abandonment, neglect, poverty or changing social structures. Rescue and Relief Foundation works to ensure that elderly individuals who have nowhere else to turn can spend their later years in a safe, caring and respectful environment.

During FY 2024-25, the Foundation continued to operate and support two residential homes for senior citizens—Kolaghat Old Age Home in West Bengal and Kanpur Old Age Home in Uttar Pradesh. These homes provide much more than shelter; they offer a nurturing community where residents receive healthcare, emotional support, nutritious meals and opportunities to remain socially engaged. Through compassionate caregiving and holistic interventions, the Foundation strives to restore dignity and improve the quality of life of every resident.

AMAR SEVA SANGHA (KOLAGHAT)

Lives Impacted (FY 2024-25): Approximately 35 senior citizens

Situated amidst a peaceful rural setting, the Kolaghat Old Age Home continued to provide long-term residential care to elderly individuals who had been abandoned, neglected or were living without adequate family support. Throughout the financial year, the home remained committed to ensuring that every resident experienced safety, comfort and compassionate care. Caregivers ensured that every resident received personalised attention while maintaining an environment that fostered mutual respect, companionship and emotional wellbeing.

Recognising that healthy ageing extends beyond physical care, the Foundation organised recreational activities, cultural celebrations, spiritual gatherings and opportunities for social interaction throughout the year. Festivals such as Durga Puja, Diwali, Independence Day, Republic Day and other important occasions were celebrated collectively, allowing residents to remain connected with cultural traditions and experience the warmth of community life.

Volunteers, donors and well-wishers regularly visited the home, spending meaningful time with the residents, celebrating birthdays and festivals, and creating moments of joy that helped reduce loneliness and social isolation.

SWARAJ VRIDDHASHRAM (KANPUR)

Lives Impacted (FY 2024-25): Approximately 30 senior citizens

The Kanpur Old Age Home continued to serve elderly men and women who required residential care and support due to abandonment, economic hardship or the absence of family caregivers. During FY 2024-25, Rescue and Relief Foundation remained committed to providing a secure and dignified living environment where every resident could age with respect and comfort.

Residents received nutritious food, healthcare support, regular medical check-ups, comfortable accommodation and assistance with daily living. Caregivers focused on promoting emotional wellbeing by encouraging interaction, companionship and participation in group activities that nurtured a sense of belonging.

The home celebrated major national and cultural festivals throughout the year, bringing together residents, staff, volunteers and community members. These celebrations created opportunities for social engagement, strengthened emotional wellbeing and ensured that residents continued to feel valued and connected to society.

The Foundation also encouraged visits from donors, volunteers and local community members whose interactions brought companionship, encouragement and emotional support to the elderly residents.

PROJECT RESCUE OPERATION AND PREVENTION Rescue & Anti-Human Trafficking Programme In Strategic Partnership with Mission Mukti Foundation

Restoring Freedom, Protecting Childhood and Rebuilding Lives

Human trafficking remains one of the gravest violations of human rights, disproportionately affecting women and children from economically vulnerable communities. Poverty, migration, lack of education, false promises of employment and marriage, and organized trafficking networks continue to place thousands at risk of exploitation every year. During FY 2024-25, the Foundation continued to respond to trafficking cases across multiple states, strengthening partnerships with law enforcement agencies, statutory bodies and grassroots organisations to ensure that survivors received immediate protection and appropriate rehabilitation.

Rescue and Relief Foundation, in strategic partnership with Mission Mukti Foundation, is committed to combating human trafficking through

- Timely rescue interventions
- Inter-state coordination
- Legal assistance
- Victim-centred rehabilitation

Over **250+** rescued,

**29 GIRLS AND 1 WOMAN
RESCUED FROM SARAN,
BIHAR**

08.12.2024

A significant rescue operation took place in Saran, Bihar, where 30 girls were rescued from an illicit orchestra trafficking ring on the night of December 8, 2024. The operation was initiated after a secret tip-off revealed the existence of the trafficking network, which had been exploiting girls from various regions for performances in orchestras often associated with weddings and other celebrations.

The rescue was conducted by the Rescue and Relief Foundation, in collaboration with the Mission Mukti Foundation, the District Child Protection Unit (DCPU), the Superintendent of Police (SP), the Anti-Human Trafficking Unit (AHTU), and several other NGOs. Among the girls rescued, one adult disclosed that they had been forcefully kept in this situation. The victims hailed from different states: 15 from West Bengal, 8 from Rajasthan, 6 from Bihar, and 1 from Assam.

Following the rescue, 7 suspects were arrested, and investigations are ongoing to dismantle the trafficking network. The rescued girls are currently undergoing medical examinations and will be presented to the Child Welfare Committee (CWC) for further legal proceedings.

**14 YEAR OLD GIRL RESCUED
FROM OKHLA, DELHI**

A 14-year-old girl from Buxar, Bihar, who was reported missing, was successfully rescued on September 26, 2024. The collaborative effort involving the Rescue and Relief Foundation, Mission Mukti Foundation, and local police forces. Following the immediate investigation was initiated. After tracing the girl's abductor, who is also a minor, through her elder sister, the girl was found located in Okhla, Delhi. It was revealed that the trafficker, Ishwar Turi, had forced her into prostitution. The operation was initiated after the girl's brother, who is also a minor, contacted the Rescue and Relief Foundation. The successful rescue highlights the importance of community support and timely intervention in combatting child trafficking and supporting affected families.

**Counsellor Lays Trap
To Help Nab Trafficker**

Four Minor Girls Rescued, Accused Arrested

Abhay@timesofindia.com

New Delhi: In a successful joint operation by Delhi Police and Jharkhand Police, four minor girls were rescued from the clutches of human trafficking, and a trafficker was apprehended. The operation uncovered that two of the girls had been working as domestic helps in Rohini for over a year without receiving any pay. The other two were brought from Jharkhand, one intended for work in Jaipur and the other in Delhi, said police.

The rescue was facilitated by a plan devised by a counsellor at Jharkhand Bhawan who reached out to the trafficker, posing as an unpaid domestic help. She convinced the trafficker to meet her in Burari, where he was arrested.

Requesting Turi to find her employment, she told him that another maid had referred her. He arranged to meet her at Burari Bypass, but the counsellor, along with the rescue team, had devised a plan to ensure his capture. She pretended to be unfamiliar with the area and had him speak with a man from the rescue team posing as an auto driver. After reaching Kashmere Gate, she called the trafficker again, and he directed her to Nathupura Bus Stand.

The rescue team contacted the DCPU of north and outer north, who quickly alerted police teams. "Before reaching

Nathupura Bus Stand, the decoy counsellor informed the trafficker that she was about to arrive," police said, adding, "As soon as she reached the bus stand, the trafficker arrived to take her, and the police team immediately arrested him."

According to Virender Kumar Singh from Mission Mukti Foundation, two of the rescued girls were working in Rohini and hadn't received payment. "The other two girls, who were brought from Jharkhand to work as maids in Jaipur and Delhi, were rescued from the trafficker's house in Burari," he said, adding, "One of the girls was also found to be pregnant. All four girls, aged between 14 and 16, were from Sahibganj, Jharkhand."

According to police, Turi had links with another trafficker, Poonam Marandi, who was previously arrested by Delhi Police. The accused Turi was also involved in a case of human trafficking registered at Borj police station in Jharkhand, said Nachiketa, an official from Jharkhand Bhawan.

The operation also received support from the National Commission for Protection of Child Rights.

The programme focuses not only on rescuing victims from exploitative situations but also on ensuring their safe restoration, protection and long-term rehabilitation through coordinated action with government authorities and civil society organisations.

Rescue and Relief Foundation aims to further strengthen its anti-human trafficking programme by expanding interstate partnerships and enhancing survivor-centred rehabilitation services. The Foundation focuses on:

- Building stronger coordination with law enforcement agencies and Anti-Human Trafficking Units across India.
- Expanding partnerships with grassroots NGOs to improve rescue response in destination states.
- Strengthening legal aid, victim assistance and rehabilitation services for survivors.
- Enhancing psychological counselling and trauma-informed care to support long-term recovery.
- Increasing community awareness and preventive interventions in trafficking-prone districts through education, outreach and stakeholder engagement.
- Leveraging technology and intelligence-sharing mechanisms to improve the speed and effectiveness of rescue operations.

A Coordinated Rescue Mechanism

Every rescue operation undertaken by the Foundation follows a structured, survivor-centred approach that prioritises the safety, dignity and legal rights of every victim. The Foundation coordinates with statutory bodies including the National Commission for Protection of Child Rights (NCPCR) and the National Human Rights Commission (NHRC) to facilitate timely intervention and strengthen institutional support.

Upon receiving information regarding a trafficking incident, the Foundation initiates the rescue process by assisting families in lodging a First Information Report (FIR) with the concerned police authorities. The rescue team then undertakes preliminary verification and location tracking by collecting intelligence from family members, local informants, digital evidence and other available sources.

Once the location of the victim is confirmed, the Foundation establishes communication with the Superintendent of Police (SP) and district administration of the concerned state. Rescue operations are carried out in close collaboration with local police, Child Welfare Police Officers, Anti-Human Trafficking Units and trusted NGO partners operating in the destination state, ensuring that every operation is conducted safely, legally and efficiently.

Rescue and Relief Foundation
Girihant Ghosh
Secretary

Following rescue, every child is produced before the Child Welfare Committee (CWC) as mandated under the Juvenile Justice (Care and Protection of Children) Act. Survivors requiring emotional and psychological support are provided with counselling and referred to appropriate rehabilitation services to facilitate their recovery and reintegration into society.

During FY 2024–25, Rescue and Relief Foundation continued to respond to trafficking cases involving children and young women originating from several vulnerable regions.

The Foundation primarily assisted survivors trafficked from:

- West Bengal
- Bihar
- Uttar Pradesh
- Assam
- Telangana
- Nepal

Rescue operations were successfully coordinated across multiple destination states, including:

- Bihar
- Uttar Pradesh
- Delhi
- Odisha
- Haryana
- Maharashtra
- Gujarat

These operations required extensive interstate coordination among police departments, Child Welfare Committees, district administrations and partner organisations, reinforcing the importance of collaborative action in combating organised trafficking networks.

Every successful rescue represents more than the liberation of an individual—it restores dignity, protects childhood and offers a renewed opportunity for a life free from exploitation. Through its partnership with Mission Mukti Foundation and its strong network of government agencies and civil society organisations, Rescue and Relief Foundation remains committed to building a future where every child and every woman can live with freedom, safety and dignity.

RESCUE AND RELIEF FOUNDATION

9 GIRLS RESCUED FROM DIFFERENT ORCHESTRAS OF BIHAR

In a joint operation by the Rescue and Relief Foundation, Mission Mukti Foundation, AHTU, local law enforcement, and network organizations, nine girls were rescued from illegal orchestra setups in Muhamadpur, Baikunthpur, and Khorampur (Bihar). Of the rescued, seven were from West Bengal and two from Bhagalpur. The victims were trafficked under false promises of employment, forcibly inducted, or sold by acquaintances. None received payment and were subjected to severe exploitation. Two offenders were arrested during the raid, with efforts ongoing to apprehend others involved. The Child Welfare Committee (CWC) is overseeing the girls' care, including shelter, counseling, and rehabilitation. This operation highlights the urgent need to address trafficking disguised as entertainment and reinforces the commitment of all agencies involved to fight human exploitation.

09.04.2025

rrf.rescueandrelief.org

20 MINORS RESCUED FROM VARIOUS PLACES ACROSS BIHAR

A successful rescue operation was carried out in the early hours of January 28, 2025, leading to the liberation of 20 girls who had been subjected to forced labor within the music and orchestra trade across various regions of Bihar. The operation was initiated after receiving credible information about the exploitation of minors within Bihar's orchestra industry, sparking a rapid, coordinated response from multiple law enforcement agencies and NGOs. On receiving the alert, the National Commission for Protection of Child Rights (NCPCR) swiftly reached out to the Superintendent of Police (SP) of Nalanda, Bihar, requesting urgent intervention. Initial investigations were conducted within the jurisdiction of Papauri Police Station, Nalanda, Bihar. The operation was a collaborative effort led by the Rescue and Relief Foundation and Mission Mukti Foundation, alongside the District Child Protection Unit (DCPU), Superintendent of Police (SP), Anti-Human Trafficking Unit (AHTU), and several other non-governmental organizations (NGOs). The victims, hailing from various states including West Bengal, Uttar Pradesh, Chhattisgarh, and Punjab, were reportedly trafficked and forced to perform in orchestras. Four individuals have been arrested in connection with the trafficking operation. Among the arrested individuals, a married couple was discovered to be key players in the illicit trafficking ring. The rescued girls are currently undergoing medical examinations and will soon be presented to the Child Welfare Committee (CWC) for further legal proceedings. The next steps include a detailed investigation, ensuring the well-being of the rescued minors, and facilitating their rehabilitation and reintegration into society through legal and protective frameworks.

RESCUE AND RELIEF FOUNDATION

4 GIRLS RESCUED FROM BURARI, DELHI; WANTED TRAFFICKER FINALLY ARRESTED

On February 2, 2025, a joint operation was carried out by the Rescue and Relief Foundation, with the essential aid of Mission Mukti Foundation, Delhi Police, Jharkhand Police, officers from Jharkhand Bhawan, and AHTU. The operation resulted in the rescue of four trafficked girls from Sahlgurga district, Jharkhand, who had been held by a wanted trafficker from the Burari area of North Delhi, Udhav Tuli, and were forced into domestic work in Delhi and the NCR region. One of the girls was found to be pregnant during medical investigation. Udhav Tuli had been evading arrest for months and is now charged under sections 370/371/417/420 IPC. Notably, one of his associates, Ms. Purnam Marandi, was arrested five months ago in a similar case with the assistance of the Delhi Police Crime Branch. The arrest of Tuli was carried out using a decoy operation. A counsellor from Jharkhand Bhawan posed as a former domestic worker seeking help with unpaid wages. After negotiating with the trafficker, she was directed to Burari. Throughout the operation, technical guidance and police support were provided by the ACB of Swarnagar and Timarpur. Upon reaching the pre-designated location, Nabupura Bus Stand, Tuli arrived to meet the decoy, at which point he was swiftly apprehended by the police team. This successful operation marks a significant step in combating human trafficking and rescuing victims from exploitation.

PROJECT EDUCATION

Vivek-Uday Welfare Society

Supporting Aspirations through Partnership

Every year, countless academically gifted students from economically disadvantaged families are forced to abandon their dreams of higher education due to financial hardship and the lack of access to safe accommodation in the city. Rescue and Relief Foundation believes that no deserving student should be deprived of education because of their socio-economic circumstances.

To address this challenge, the Foundation partners with Vivek-Uday Students' Welfare Society, a voluntary educational institution dedicated to supporting meritorious students from remote and underserved communities. Through this strategic partnership, Rescue and Relief Foundation extends financial and rehabilitation support under its Merit Sponsorship Programme, enabling talented students to continue their higher education by providing assistance towards residential care, food and academic support.

Lives Impacted (FY 2024-25): Approximately 20 meritorious students

During this year, Rescue and Relief Foundation continued to support 20 meritorious students residing at Vivek-Uday Students' Welfare Society in Belghoria. The programme enabled students from economically vulnerable families to pursue undergraduate and postgraduate education without the burden of accommodation and basic living expenses.

Beyond financial assistance, the Foundation remained committed to nurturing an environment that encouraged academic excellence, discipline, leadership and personal growth. Students benefited from mentorship, peer learning and a supportive residential atmosphere that allowed them to focus on achieving their educational goals.

**CELEBRATING ACADEMIC EXCELLENCE**

Rescue and Relief Foundation witnessed exceptional academic achievements that reaffirmed the impact of the Foundation's Merit Sponsorship Programme.

One of the year's most remarkable successes was Suman Kalyan Bishal, a student from Sagardwip supported through the programme, who secured All India Rank 434 in IIT JAM 2024. Coming from an economically challenged agricultural family, his achievement demonstrates how sustained educational support can unlock extraordinary potential.

Mrinmoy Halder, another remarkable student, enrolled in the Physics (Hons.) program at Ramkrishna Mission aCentenary College, Rahara, where he dedicated himself to his studies with unparalleled focus and determination. His hard work paid off in the form of a remarkable achievement—a stellar 929 AIR (All India Rank) in IIT JAM (Joint Admission Test for Masters).

These achievements represent far more than examination results. They are stories of determination, resilience and opportunity—proof that with the right support, talented students from the most disadvantaged backgrounds can compete with the very best in the country.

**434 Rank
in IIT JAM**

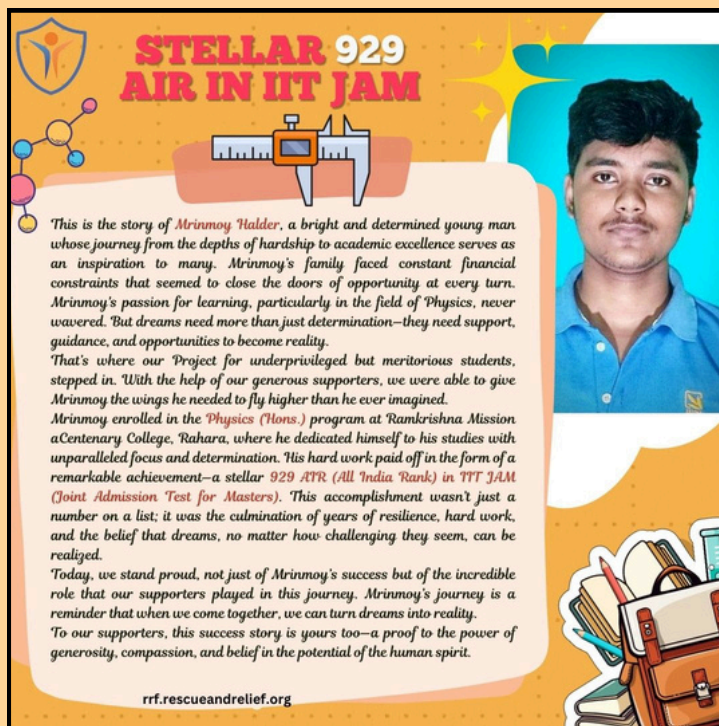

**Rescue And Relief
Foundation**

Suman Kalyan Bishal's journey from the rural landscapes of Sagardwip to the academic heights of ranking 434 in IIT JAM 2024, showcases his remarkable resilience and determination. Suman embodies the spirit of overcoming challenges; Hailing from an agricultural background, with his father engaged in farming, he has excelled extraordinarily in academics. Rescue and Relief Foundation take pride in supporting underprivileged yet exceptionally talented students, with Suman added as another shining example from our Belghoria Project.

www.rescueandrelief.org

**STELLAR 929
AIR IN IIT JAM**

This is the story of Mrinmoy Halder, a bright and determined young man whose journey from the depths of hardship to academic excellence serves as an inspiration to many. Mrinmoy's family faced constant financial constraints that seemed to close the doors of opportunity at every turn. Mrinmoy's passion for learning, particularly in the field of Physics, never wavered. But dreams need more than just determination—they need support, guidance, and opportunities to become reality. That's where our Project for underprivileged but meritorious students, stepped in. With the help of our generous supporters, we were able to give Mrinmoy the wings he needed to fly higher than he ever imagined. Mrinmoy enrolled in the Physics (Hons.) program at Ramkrishna Mission aCentenary College, Rahara, where he dedicated himself to his studies with unparalleled focus and determination. His hard work paid off in the form of a remarkable achievement—a stellar 929 AIR (All India Rank) in IIT JAM (Joint Admission Test for Masters). This accomplishment wasn't just a number on a list; it was the culmination of years of resilience, hard work, and the belief that dreams, no matter how challenging they seem, can be realized. Today, we stand proud, not just of Mrinmoy's success but of the incredible role that our supporters played in this journey. Mrinmoy's journey is a reminder that when we come together, we can turn dreams into reality. To our supporters, this success story is yours too—a proof to the power of generosity, compassion, and belief in the potential of the human spirit.

Programme Highlights 2024-25

- Enabled students to pursue undergraduate and postgraduate studies by supporting residential care and essential living requirements.
- Celebrated outstanding performances in national-level competitive examinations, including IIT JAM.
- Students secured admissions to prestigious institutions such as IISER while receiving opportunities to pursue higher studies at leading national institutes.
- Continued inspiring students from rural and underserved communities to pursue careers in science, research and higher education.
- Academic mentoring and career guidance for higher education and competitive examinations.
- Expanding support for digital learning resources, books and academic materials.

Through this strategic partnership, Rescue and Relief Foundation continues to invest in one of society's most valuable resources—its young minds. By transforming educational aspirations into tangible opportunities, the Foundation is helping build a generation of scholars, researchers and professionals who will contribute meaningfully to the nation's future

CANCER CARE PROJECT

The Cancer Care Project addresses the challenges of gap of cancer awareness and limited healthcare infrastructure in rural communities, where delayed diagnosis often reduces the chances of successful treatment. The programme promotes cancer awareness, facilitates early identification, and strengthens referral linkages with hospitals and healthcare providers, enabling vulnerable individuals to access timely medical care.

Individual Aid

The Foundation provided financial assistance to 9 individuals during the year, supporting essential needs such as education and critical healthcare. This included sustained support for the cancer treatment of one elderly beneficiary throughout the year, helping ease the financial burden on the family while ensuring continuity of care.

AUDITOR'S REPORT

We have examined the attached Balance Sheet as on 31st March 2025 the Income & Expenditure Account and Receipts & Payments Account for the year ended on that date of, **RESCUE AND RELIEF FOUNDATION, A-17/304, PEERLESS NAGARP.O. PANIHATI, KOLKATA - 700114** These financial statements are the responsibility of the Trust and our responsibility is to express an opinion on the annexed financial statements based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit also includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation.

We believe that our audit provides a reasonable basis for our opinion and report as under:

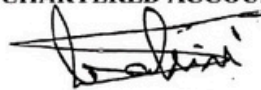

We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

In our opinion proper books of account as required by law have been kept by the trust so far as appears from the examination of those books.

we state that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account give in the manner customary in such organization a true and fair view, in the case of the Balance Sheet of the state of affairs of the organization as at 31.03.2025, in case of the Income & Expenditure Account of the surplus of the organization for the year ended on that date and in case of the Receipt & Payments Account of the Receipts and Expenditure of the year ended on that date.
